SECTION 3 - SERVICE DESCRIPTIONS

RESIDENTIAL AND BUSINESS LINE OPERATOR SERVICES

International Presubscribed Residential and Business Line Service*

International Presubscribed Residential and Business Line Service is service originating from residential and business lines presubscribed to Frontier for call termination to international locations listed in this tariff (those not indicated by a "+" in this tariff). Calls may not be originated from aggregator locations.

Rate Structure

Charges for international service are assessed based on length of call, terminating location, are country specific unless otherwise stated and are in effect seven days a week.

Usage Charges

The customer's total monthly use of Carrier's Service is charged at the applicable rates per minute as set forth in this tariff (those not indicated by a "+" in this tariff). Any fraction of an increment is rounded up to the next whole minute. In addition to the applicable per minute charges, each international operator assisted call is assessed an Operator Service Surcharge set forth in this tariff.

Domestic Presubscribed Residential and Business Line Operator Services

Residential and Business Line Service is for service originating from residential business lines which are presubscribed to Frontier as their primary carrier. Charges are assessed on a per call basis as set forth in this tariff. Calls may not be originated from aggregator locations.

* Currently not available.

SPECIAL SERVICE ARRANGEMENTS

Special Service Description

Special Service Arrangements are special, customized arrangements for the customer's use with Frontier's services, as described below.

Special Services Regulations and Rates

- a) If at the request of the customer, the Carrier obtains facilities not normally used to provide service to its customers, or offers the use of facilities in Frontier's network in unusual configurations, the cost incurred will be billed as a Special Service.
- b) If at the request of the customer, the Carrier provides technical assistance not normally required to provide service, the costs involved will be billed as a Special Service.
- c) Where special signaling, conditioning, equipment or other features are required to make customer-provided equipment efficient and compatible with the Carrier service, the cost of providing these features will be billed as a Special Service.

SECTION 3 - SERVICE DESCRIPTIONS

SPECIAL SERVICE ARRANGEMENTS (Cont'd)

Special Services Regulations and Rates (Cont'd)

- d) Special Service charges may be equivalent to the estimated cost of furnishing any such service based upon charges applicable to the service provided including all relevant operating, maintenance and administrative expenses, the cost of providing necessary equipment and materials and all associated installation costs including engineering, labor, supervision and transportation costs.
- e) Special charges apply when a customer requests in advance, the use of a dial-out connection from a domestic bridge point in Denver, Colorado (USA) on the Frontier network to a point in any international country (listed in this tariff without a "+" listed in this tariff) designated by the customer for a specified period of time. The charges for this service are \$2 to establish the connection and \$2 for each minute of use (or fraction thereof). In addition, there is a \$0.49 per minute of use charge (or fraction thereof). Charges for call-in connection to the domestic bridge using an 800 number are \$1 for the first minute and \$0.49 for each additional minute of use (or fraction thereof). There is a \$2 per month charge for each 800 number for the service.
- f) Special charges apply when a customer uses the Frontier TelAdvance International and Information (TAI) Gateway service to access long distance services. The TAI Gateway service is a virtual gateway located in Michigan which provides centralized access to domestic, international and information services. A per minute surcharge applies for the use of the Gateway. Charges for domestic calls originating from the Gateway are Frontier Solution IV domestic usage rates as set forth in the Domestic Price List. The gateway usage rates for Frontier TAI Gateway services are as follows: Domestic and Frontier InfoReach calls - A gateway access charge of \$0.10 per minute for business hour usage and \$0.08 per minute for off-hour usage. Canadian calls are charged at a combined gateway and per minute rate of \$0.60 per minute for standard time period and \$0.48 per minute for discount/economy time periods. International Group 1 and Mexico calls are charged at a combined gateway and per minute usage charge rate of \$1.44 per minute for standard time period and \$1.20 per minute for discount/economy time periods.

International Group 2 calls are charged at a combined gateway and per minute usage charge rate of \$2.88 per minute for standard time period and \$2.40 for discount/economy time periods. International Group 1 countries are Europe, the Caribbean, Central America and South America. Group 2 include the Pacific Rim, Asia, Former USSR countries, Africa and the Middle East. Calls made through the Frontier TAI Gateway are rounded to the whole minute. Charges for TAI Gateway service are prepaid in denominations of \$12*, \$24, \$36 or \$48 per TAI gateway code and such amounts may be applied to charges for any services accessed through the TAI Gateway. Unites expire at a date indicated by the Carrier on the date of issuance. (* = Must purchase in blocks of 500). Unused charges are not refundable.

SECTION 3 - SERVICE DESCRIPTIONS

SPECIAL SERVICE ARRANGEMENTS (Cont'd)

Special Services Regulations and Rates (Cont'd)

g) TAI Gateway Service Directory Assistance

Calls made to Directory services through the TAI Gateway will be charged a gateway access charge of \$0.72 per call.

h) TAI Gateway Canada Originating Calls

Call originating in Canada and terminating the in the United States through the TAI Gateway are charged at Solution IV rates. A gateway access charge of \$0.40 per minute for peak calls and \$0.36 per minute for off-peak calls will be charged in addition to the Solution IV per minute rates.

Non-Routine Installation and/or Maintenance Charge

- a) When at the specific request of the customer, installation and/or routine maintenance is performed outside of the regular business hours, additional charges will be based upon the actual labor, material and other costs incurred by or billed to the Carrier in the provision of these Special Services.
- b) If installation and/or routine maintenance is performed during regular business hours, at the request of the customer for completion of the task, and these circumstances are not the fault of the Carrier, Special Service charges may apply. Such circumstances include, but are not limited to, stand-by in excess of one hour, weekend holiday or night time cut-over, and additional installation testing in excess of the normal testing required to provide service.

SECTION 3 - SERVICE DESCRIPTIONS

FRONTIER OPTION USA GLOBAL

Option USA Global is a service which allows users to make an originating call segment from international locations specified in this tariff to the US and terminate call segments to International locations. Call segments for Option USA Global are billed as follows (unless otherwise specified): International originating to US call segments are billed at the applicable rates per minute in this tariff. If the customer does not have a base product then the associated US terminating to US off shore call segments are billed at the applicable rates per minute in this tariff, and the associated International terminating call segments are billed at the rates per minute set forth in this tariff except for Canada and Mexico call segments which are set forth below). Total charges are the sum of all charges for each call segment used.

Option USA Global call segments originating from Canada to the domestic US are billed at the per minute rate set forth in this tariff (except for MAX Communications and Clear Value which are billed at the Canadian originating call segment rate per minute set forth in this tariff respectively), associated US to off shore or international terminating call segments shall be billed at the customer's base product international rates. If the customer does not have a base product then the associated terminating call segments to off shore are billed at the per minute rate in this tariff, associated terminating call segments to Canada are billed the applicable Canadian rates per minute in this tariff, and the associated terminating call segments from the US to other International locations will be billed at the applicable rate in this tariff call segments originating from Mexico to the domestic US are billed at a \$1.32 per minute rate; associated US to off shore or international terminating call segments shall be billed at the customer's base product international rates. If the customer does not have a base product then associated terminating call segments to the off shore are billed at the per minute rates in this tariff, associated terminating call segments for US to Mexico are billed the applicable Mexico rates per minute set forth in this tariff 1, and the associated terminating call segments from the US to other International locations will be billed at the applicable rate in this tariff.

Option USA Global calls are billed in 6 second increments with 30 second minimum. Any fraction of an increment is rounded up to the next whole increment.

A surcharge of \$0.55 will be added to all Option USA Global calls. In addition, all Option USA Global calls will be assessed their respective product level per call surcharge.

SECTION 3 - SERVICE DESCRIPTIONS

FRONTIER CLEAR VALUE

Frontier Clear Value customers receive the Clear Value International Basic Countries rates per minute for international calls set forth in this tariff (unless otherwise specified). Frontier Clear Value term plan customers may elect to receive the Clear Value International Optional Countries rates per minute for international calls set forth in this tariff. After December 15, 1995, all new customers will receive the optional rates in this tariff (unless otherwise specified), for a monthly recurring charge of \$4.95 per account. For Frontier Clear Value dedicated access option customers, the rates per minute in this tariff are reduced by \$0.015 for the first 30 seconds rate and are reduced by \$0.003 for the additional 6 second rate*. Clear Value Basic and Optional international calls are billed in six (6) second increments with a thirty (30) second minimum for each call (unless otherwise specified). Any fraction of an increment is rounded up to the next whole increment. Frontier Clear Value customers who elect MultiPoint 800 service: MultiPoint 800 calls will receive the rates per minute set forth in this tariff. Frontier Clear Value customers who have international termination (i.e. Domestic originating 800 calls terminating to an international country) for their 800 services will be charged the rates per minute set forth in this tariff. Clear Value term plan customers who subscribe to the new Clear Value Optional International usage rates in this tariff after December 15, 1995 whose minimum gross international usage is \$.01, may be eligible to receive a volume discount credit based on the customer's Clear Value international outbound usage, 800 termination, and Multipoint 800 international long distance gross monthly international usage, as set forth below:

<u>Volume</u>	<u>Gross MonthlyDiscount</u>
\$0 - 99.99	0%
\$100 - 749.99	5%
\$750 - 1,999	10%
\$2000+	13%

*Rates set forth in this tariff apply after 12/15/95.

The maximum volume discount amount permitted is \$13,000.

International Originating and Terminating Clear Value Segment Rates

International Originating call segment rates are set forth in either this tariff. The rates set forth in this tariff apply to all Operator Service calls made to Frontier Clear Value International countries. Rate Periods for each international location may be found in this tariff.

Clear Value Canadian Origination Rates:

Clear Value calls which originate in Canada via a local access number are charged the per minute Canada Origination rates (time of day specific) set forth in this tariff billed in one minute increments with a one minute minimum. Canada Directory Assistance calls: \$1.00/call.

SECTION 3 - SERVICE DESCRIPTIONS

FRONTIER INDEPENDENCE - STANDARD INTERNATIONAL

Frontier Independence International Standard Plan - Frontier Independence International Standard Plan is a single bill period plan twenty four hours a day, seven days a week. Frontier Independence (1+ and 800) customers may receive the Standard International plan Countries rates per minute for switched access calls set forth in this tariff, and dedicated access calls set forth in this tariff following, with no monthly recurring charge per account. Independence Standard Plan International switched and dedicated calls are billed in six second increments with a thirty second minimum for each call. Any fraction of an increment is rounded up to the next whole increment.

FRONTIER INDEPENDENCE - TARGET INTERNATIONAL

Frontier Independence International Target Plan - Frontier Independence International Target Plan is a single bill period plan twenty four hours a day, seven days a week. Frontier Independence (1+ and 800) customers may receive the Target International plan Countries rates per minute for switched access calls set forth in this tariff and dedicated access calls set forth in this tariff following, with a monthly recurring charge of \$9.95 per account. Additionally, Target Plan Customers will receive 10% discount credit on their five highest volume (dollars) countries. Switched outbound, dedicated outbound, and Calling Card usage will be used in calculating the 10% discount credit. Independence Target Plan International switched and dedicated calls are billed in six second increments with a thirty second minimum for each call. Any fraction of an increment is rounded up to the next whole increment.

FRONTIER - TARGET PLUS INTERNATIONAL

Frontier International Target Plus Plan - Frontier Target Plus International Plan is a single bill period plan twenty four hours a day, seven days a week. Frontier Independence (1+ and 800) customers may receive the Target Plus International plan Countries rates per minute for switched access calls set forth in this tariff and dedicated access calls set forth in this tariff following, with a monthly recurring charge of \$9.95 per account. Target Plus Plan International switched and dedicated calls are billed in six second increments with a thirty second minimum for each call. Any fraction of an increment is rounded up to the next whole increment.

SECTION 3 - SERVICE DESCRIPTIONS

FRONTIER GLOBAL CONNECTIONS

Frontier Global Connection Plan customers may receive the Global Connection rate plan countries flat per minute rate (7 days a week, 24 hours a day), for international calls set forth in this tariff. Global Connection international calls are billed in one minute increments, with a one minute minimum for each call. Any fraction of an increment will be rounded up to the next whole increment.

Customers wishing to place calls to countries not included in this plan may subscribe to Frontier's International Connections Consumer Calling Plan (IC3P). Rates, terms and conditions for IC3P may be found in this tariff.

Frontier Hometown Saver Customers who subscribed to Global Connections on or before March 1, 2002 are eligible to participate in this plan. Frontier One and Home Connections II Customers who subscribe to Global Connections on or before April 1, 2002 are eligible to participate in this plan.

Global Connection Segment Rates

International Originating call segment rates are set forth in this tariff. The rates set forth in this tariff apply to all Operator Service calls made to Frontier Global Connection International countries.

FRONTIER POWER PLAN INTERNATIONAL

Frontier Power Plan International (FPPI) - FPPI is a single bill period plan twenty four hours a day, seven days a week. FPPI (1+ and 800) customers may receive the FPPI Countries rates for switched access calls set forth in this tariff and, dedicated access calls set forth in this tariff. A monthly recurring charge (MRC) of \$9.95 will be assessed per account. The Customer may choose to subscribe to the optional Frontier Power Plan Plus dedicated international plan with discount credits to specific countries, and an applicable MRC of \$19.95. With the exception of specific countries the usage rates and countries associated with the Frontier Power Plan Plus service are the same as the FPPI countries and rates listed in this tariff. A list of specific Frontier Power Plan Plus countries and applicable discount credits is located in this tariff. All FPPI and Frontier Power Plan Plus switched and dedicated calls (including direct dialed 8XX and calling card) are billed in six second increments with a thirty second minimum for each call. Any fraction of an increment is rounded up to the next whole increment.

Taiwan	886	13.79%
United Kingdom	44	16.66%

FRONTIER WORLD WIDE INTERNATIONAL

Frontier World Wide International is available in conjunction with the Company's domestic 1+ internet based service. Frontier World Wide International is a single bill period plan, twenty four hours a day seven days a week. Rates applicable to this plan are set forth in this tariff. A plan's call rounding method is determined by the Local Exchange Carrier's billing platform.

Frontier World Wide International offers World Wide and WorldWide Optional rates. Subscribers to WorldWide Optional will be assessed a monthly recurring charge of \$2.99.

Frontier World Wide International Plan A

All calls are billed in one minute increments with a one minute minimum for per call. Any fraction of an increment will be rounded up to the next whole increment. Frontier World Wide International Plan A rates are also applicable to the following plans: InterState 4.9, Frontier ExactRate, Frontier Hometown Saver, Frontier Community Choice, Link One, Frontier One and Home Connections II.

Frontier World Wide International Plan B

For Frontier World Wide International Plan B all calls are billed in six second increments with a thirty second minimum per call, except calls originating to Mexico which are subject to a minimum billing of one minute with an additional billing increment of one minute. Any fraction of an increment will be rounded up to the next whole increment.

World Wide International Plan B rate plans are applicable to Frontier InterState 4.9, Frontier Hometown Saver, Frontier One, Home Connections II, FrontierXL* and Frontier Simple 7. World Wide Optional is only available to InterState 4.9, Hometown Saver, Frontier One and Home Connections II.

* Frontier XL Canadian rates differ from Frontier World Wide rates. The following rates are applicable to Frontier XL customers for calls terminating to Canada.

FRONTIER FLEXMINUTES INTERNATIONAL

The following rates apply for 1+ International call termination for FlexMinutes USA and FlexMinutes International calling plans. These plans can be found in Frontier Communications of America, Inc.'s Domestic Price List.

All calls are abilled in one minute increments with a one minute minimum per call. Any fraction of an increment will be rounded to the next whole increment.

For designated countries, there will be an additional charge per minute for calls that terminate to any mobile device that receives voice transmission. Countries designated with an "x" are included within the 500 "free" minutes received when subscribing to FlexMinutes International from the Domestic Price List.

The International rates in this section also apply for calls utilizing the features of Flex800. Please reference Frontier Communications of America, Inc.'s Domestic Price List for specific Flex800 surcharges that are applicable to international calls.

Termination Country	Frontier FlexMinutes U.S.A.	Frontier FlexMinutes International	Frontier FlexMinutes International Block countries denoted by "X"	Flex 800	Additional per minute charge for Mobile Termination

SECTION 3 - SERVICE DESCRIPTIONS

FRONTIER VIP

The following standard and optional international rates apply for 1+ switched and dedicated International call termination, in conjunction with VIP Standard and VIP PLUS product offerings that can be found in Frontier Communications of America, Inc.'s Domestic Price List.

All calls are billed in six-second increments with a thirty-second minimum per call. Any fraction of an increment will be rounded to the next whole increment. For designated countries, there will be an additional charge per minute for calls that terminate to any mobile device that receives voice transmission.

Subscribers to the Optional International plan will be assessed a monthly recurring charge of \$9.95.

FRONTIER TRAVELCARD

The following international rates apply for termination to select countries and origination from select countries for calls utilizing Frontier TravelCard, in conjunction with the Frontier TravelCard product offering that can be found in Frontier Communications of America, Inc.'s Domestic Price List.

All internationally terminating calls will be billed in six-second increments with a thirty-second minimum per call. Internationally terminating calls will be charged at the per minute rate listed, and will also include \$1.25 international termination surcharge and a \$1.25 operator assisted surcharge (if applicable). Any fraction of an increment will be rounded to the next whole increment. To utilize this service, the customer dials an 800 access number, enters the BTN # and PIN, and enters the number to be dialed.

All internationally originating calls will be billed in six second increments with a thirty second minimum per call. Internationally originating calls will be charged at the per minute rate listed plus the termination rate per minute for that country, and will also include \$1.25 international termination surcharge (if terminating country is not US or offshore and an operator assisted surcharge (if applicable). Any fraction of an increment will be rounded to the next whole increment. To utilize this service, the customer dials the country specific toll free number, enters the security code (last 4 digits of the domestic 800 access #), enters the BTN # and PIN, and enters the number to be dialed.
