3.23 FREEDOM CALLING PLAN – VERSION A

Freedom Calling is a non-distance sensitive product that includes direct dial 1+ outbound service. Pre-subscription to Frontier Communications of America, Inc. (FCA) is required to subscribe to Freedom Calling. Primary and all secondary lines must subscribe to the Freedom Calling plan offered by Frontier Communications of America, Inc. (FCA). This plan is available to customers of local exchange companies (LEC) with whom the carrier has a billing and collections contract. This product is only available in conjunction with the Freedom Calling plan from Frontier Communications of America, Inc.'s interstate Domestic Price List.

RATE STRUCTURE

Freedom Calling calls are non-distance sensitive, flat-rated, twenty-four hours a day, seven days a week.

USAGE

With the Freedom Calling option, usage is available in 300 or 600-minute domestic blocks of time (BOT). The BOT is applied at the account level. The Monthly Recurring Charge (MRC) for the 300 or 600-minute BOT for Freedom Calling can be found in the FCA's Domestic Informational Pricelist. Any usage above the allotted 300 or 600-minute blocks of time will be subject to an overage rate that can be found in the rate section of this catalog. Call segments outside of the allotted BOT minutes will be rounded to the next full increment and invoiced at the overage rate.

All calls are billed in one-minute increments with a minimum billing of one minute per call. Charges will be rounded up to the next cent on a per call basis. Domestic calling is within the United States including Alaska, Hawaii, Puerto Rico, and the U.S. Virgin Islands, Guam and Saipan only. The 300 or 600-minute BOT do not include toll free, long distance directory assistance, calling cards, or international termination of 1+ dialed calls.

If a new customer to Freedom Calling subscribes mid-billing cycle, BOT minutes will be prorated. If moving between BOTs, minutes will be prorated based upon the number of days of that billing cycle and will be charged the appropriate overage rate for the BOT selected at the time the call was completed. Usage will be billed in arrears.

Interstate usage rates are found in the Domestic Price List of Frontier Communications of America, Inc. International rates for this product are found in the International Product Guide of Frontier Communications of America, Inc.

Freedom Calling may be used in conjunction with the Frontier Choices service offering in FCA's Domestic Informational Pricelist.
